EXPERIENCE

Compositing Intern at THE YARD VFX

Paris, France
June 2025 - September 2025

- Supervised by Denis Scolan and worked in a professional shot-based pipeline.
- Took ownership of assigned shots and delivered comp, paint, and roto work to production deadlines.
- Supported QC across shots and adapted quickly to studio notes and delivery standards.

Credits: Stranger Things 5 (Netflix), The Family Plan 2 (Skydance)

Freelancer Compositor at Spyderys

Montpellier, France
April 2023 - May 2023

- Delivered matchmove and integration work for a branded social media trailer for Twisters.

Freelance Photographer and Cinematographer

Wiesbaden, Germany
July 2021 - Present

Produced short-form commercial imagery and video for schools and small businesses, strengthening skills in composition, lighting, client communication, and visual continuity.
